1.6 Whse operations	500	463

LOGISMED
SOFT

Events to remember...

The ELA students in Egypt celebrated the end of their course with an original cake

 #MedaPorts19

LOGISMED SOFT

Logismed Soft contributed significantly to the awareness of present logistic trends.

ELA and its standards have been promoted.

Results have improved when actions have been adapted to local circumstances.

Project actions have created a networking base around logistic activities.

Logistics improvement requires further training actions.
